### Membership form

Dear parents,

By becoming a member of the Child and Adolescent Dental Care Service you can benefit from the following services offered by dentists to children in association with our Municipality and the Canton of Basel-Landschaft:

- Regular dental check-ups until the age of 18
- Preventive measures against caries and periodontitis (gum disease)
- Treatment of caries and tooth displacements
- Reduced rate for all essential treatments
- Social insurance contribution in accordance with legal regulations

For more information, please read the enclosed information material.

Whatever the treatment needed, you have a **free choice of dentist throughout the Canton of Basel-Landschaft.**

If your dentist is domiciled outside the Canton of Basel-Landschaft, you need to get an authorisation from the cantonal dentist. The relevant form and any other membership forms will be provided to you on request.

We request you to **complete** the membership form **in any case** and to send it to: **Kinder- und Jugendzahnpflege, Gemeindeverwaltung, Hauptstrasse 24, 4104 Oberwil**

Kind regards,
